

GENERAL INSTRUCTIONS FOR ADMISSION

University of Agriculture Faisalabad by this academic session, reformed the procedure and has intended to conduct entry test for admission to all undergraduate degree programs. This is to address issues of variation in time quality of results declared by different Boards dealing with intermediate and secondary education. The university took this step with the hope that it would attract highly meritorious students from all over Punjab and observe its semester schedule in its true sense.

SUBMISSION OF APPLICATIONS:

The University, in order to start academic session at its right time, is proudly launching admissions of undergraduate programs of the session, 2016-2017 for the first time on the basis of Entry Test of students of Intermediate (Part-I) or HSSC (combined) examination or equivalent thereto. However, there is no entry test for admission to Intermediate (Pre-Agriculture) and Associate

degree programs of two years duration.

The candidates after qualifying Intermediate (Part-I) or an examination acceptable as equivalent thereto from a recognized institution in the Punjab and entry test conducted by the University, are advised to apply on proper application forms included in this brochure. The details for admission, minimum required qualification in undergraduate degree programs at main Campus and Sub Campuses at Toba Tek Singh and Burewala (Vehari), are given below. The merit of candidates will be prepared according to ratio of Matric, Intermediate(Part-I)/equivalent thereto and specimen formula as given in para 12 of this chapter. The minimum qualification against each degree (except B.Ed. and Associate degree in Education) be read by excluding 20 marks of Hafiz-e-Quran. While preparing merit, Hafiz-e-Quran candidates will be given 20 marks after their test/interview as per details given in para 3:-

The applications (complete) would be submitted to the central admission office or in offices given below:

a) The students enrolled in any degree program at this University are also eligible to apply in this program through credit earning system. The morning students pursuing their higher degrees in the vicinity of Faisalabad who fulfill the minimum requirements for admission to this degree will also be eligible to apply and continue (if admitted on merit) the evening program of studies i.e. B.Ed.

b) Merit for admission in this degree program shall be determined on the basis of percentage of marks (calculated upto three decimals) in the degree program which is a requirement for admission to B.Ed.

Hafiz-e-Quran Test:

3. In case of certificate/degree programs (except in-service teachers of Associate degree in Education and B.Ed.), the candidates desirous to

claim 20 marks being Hafiz-e-Quran, would have to appear for test/interview irrespective of the fact that he/she has Hafiz-e-Quran certificate. For the purpose while submitting application form on open merit, they would be required to submit prescribed registration application as per specimen available in the Office of Dean/ Director/ Principal of Sub Campus concerned upto the last date advertised in the National Press. On the next day of expiry of last date, such applications complete in all respects will be forwarded by the Dean/ Director concerned to the Director Students' Affairs under covering letter to proceed further into the matter.

On receipt of applications, the test/interview of the candidates at main campus will be conducted by the Director Students' Affairs in his office located near main cafeteria adjacent to main library as per schedule published in the National Press. The test/interview in the case of candidates of Sub Campus will be arranged by the Principal concerned at the respective Sub Campuses. It is made clear that no separate test/interview will be conducted for a candidate who could not appear on the scheduled date and time under any circumstances. After conducting test/interview, the list of qualified/failed/absent candidates will be communicated under confidential cover to the

Dean/Director concerned by the Directorate of Students' Affairs. The concerned admission authority www.uaf.edu.pk 59 will carefully check/ensure that 20 marks have been added in the marks of last examination while preparing merit, only in the case of candidates who have declared as pass/qualified the test/interview as indicated against their names in the list received from Director Students' Affairs office. The candidates who fail to qualify/pass the test/interview and names not included in the requisite list, will be placed in the merit list according to their marks secured in last examination without 20 marks, irrespective of the fact that they have attached any type of Hafiz-e-Quran certificate or not.

Three years Diploma holder candidates:

4. The candidates possessing Three Years Diploma of Associate Engineer(DAE) in the relevant technology can apply for admission to all the Engineering programs only against their reserved seats under 'Open Merit' and 'Evening College' categories. Half (50%) Refund of Entry fee and total dues/hostel dues deposited excluding admission fee	From 8th – 15th day of convene of classes or depositing of dues whichever is later(*)
No Refund	From 16th day of convene of classes or depositing of dues whichever is later(*)

(*) In the case where dues were deposited after commencement of classes, the next day from depositing dues will be considered as date of convene of classes.

The entry fee/dues will also be refunded as specified under 'g' above if:-

- i) admission of any candidate is notified but he has not deposited or deposited the dues but not completed the enrolment formalities within the stipulated period.
- ii) the candidate who has applied against day and evening college classes seats simultaneously but selected on day classes.
- iii) the number of candidates in the Evening College in any course is too small to start the class
- (i) If a candidate of Evening College desires to change his course after notification of his admission in a degree course, may opt for another course once; provided he had already submitted proper application form under the said category and falls on merit in that course.
- (j) No student of day classes will be allowed to shift to Evening College in any case and vice versa.
- (k) If a candidate who submitted an application form as a day class student but could not be admitted on merit, he can opt for seeking

admission as Evening College student by submitting an application to the respective Dean/Director/Principal, who after ensuring his merit, availability of seat and obtaining bank draft of entry fee, shall submit his case to the Vice Chancellor for approval through the Registrar office. A certificate must be accompanied with the case from the Dean/Director/Principal concerned that no candidate on waiting list of Evening College category has previously been ignored. However, such admission will be recommended after completion of admission against all the categories.

However, after completion of admission against allocated seats under 'Evening College' category with the candidates who applied within due date by depositing amount of entry fee/completing other admission formalities, the University reserves the right to allow admission under 'Evening College' category to the candidates having higher marks who had applied earlier on 'open merit' but could not get admission by allocating additional seats/adjustment of un-utilized under other categories and following the prescribed procedure.

(l) In case, seats reserved in the Evening College remain vacant in a degree course, the same may be transferred to any other degree course in the same category, if required, with the permission of the competent authority.

(m) The classes under the category will start functioning in the morning time and students will enjoy all the auxiliary facilities such as medical, accommodation (if available) etc. just like other students.

Detail of Seats

(16) The detail of seats under merit and other Provincial quotas etc. for all the above certificate/degree courses is given in the Allocation of Seats chart, appended in the guidelines.
