

**SITUATION VACANT**

Applications are invited from Pakistani Nationals who are not married to a foreign national, on the prescribed form obtainable free of cost on any working days during office hours from the office of the Registrar (Personnel Section) for the one post of Research Associate on temporary basis at a consolidated pay of Rs. 8,000/- pm in the HEC funded research project entitled "Development of tetraploid watermelon lines for seedless watermelon production" being run by Dr. Muhammad Jafar Jaskani, Associate Professor, Institute of Horticultural Sciences, for making appointment on temporary basis, with the following qualifications. "M.Sc. (Hons.)/Ph.D fellow in Horticulture subject with specialization in Plant Tissue Culture with minimum CGPA-3.00 (B)". Only one copy of the application is required with attested copies of certificates, testimonials, detailed marks certificate and transcripts. The University reserves the right not to fill the vacancy without assigning any reason. Persons already employed in any government or other organizations should submit their applications through proper channel. Advance copies may, however, be sent to save time. The requisite NOC from present employer must reach in the Office of the Registrar (Personnel Section) before or on the last date for receipt of applications, failing which such candidates will not be allowed to appear for interview. Incomplete applications or those received after the due date will not be entertained. The applications should reach the office of the Registrar (Personnel Section) by January 25, 2009 during office hours.

**HOUSE ALLOTMENT COMMITTEES**

The Vice Chancellor has been pleased to constitute a house allotment committee comprising the following members for allotment of houses to the Administrative Staff (Scale No. 16 and above) for the Calendar Year 2009: (i) Convener, Controller of Examinations, (ii) Member, Treasurer, (iii) Member, Deputy Registrar (Admin), (iv) Member/Secretary Estate Officer.

The Vice Chancellor has further pleased to constitute another House Allotment Committee for BPS 1-15 under the convenship of Principal Officer (Estate). The Treasurer and Deputy Registrar (Estt) will be the member of the committee while Estate officer will act as member/secretary for allotment of houses to the employees of grade 1-15.

**SEMESTER SCHEDULE FOR 2008-09**

The Vice Chancellor on the recommendations of the Deans Committee made at its meeting held on 24-12-2008, has been pleased to approve the following Semester Schedule to be observed at the UAF and its Sub-Campuses for the remaining portion of the academic session, 2008-09. Winter Semester, 2008-09: (i) Commenced from 03-09-2008, (ii) Termination of Semester, 27-01-2009, Break in between semesters from 28-01-2009 to 03-02-2009, **Spring Semester**, 2008-09: (i) Enrolment, 04-02-2009 to 10-02-2009, (ii) Commencement of regular classes from 11-02-2009, (iii) Termination after completion of 19 weeks admissible duration 16-06-2009, Break in between semesters 17-06-2009 to 23-06-2009, Summer Session, 2009: (8 weeks including enrolment and examination etc.) 24-06-2009 to 18-08-2009.

**UPGRADATION OF HOUSE CATEGORY**

The Vice Chancellor, on the recommendation of the House Allotment Committee has been pleased to upgrade the House # 9, 10, 11, 12, 13, 14, 15, 16, 39, 40, and 41 (Lalazar Colony) of Associate Professor houses as Professors' houses with immediate effect.

**REVISED SCHEDULE FOR LECTURES THROUGH VIDEO CONFERENCING**

As directed by the worthy Vice Chancellor a detailed schedule for delivering lectures of compelling interest for public and academia especially by the Faculty on Tenure Track and Foreign Faculty on fortnightly basis through video conferencing:

Name of the Speaker	Department	Date	Topic of the Lecture
Prof. Dr. Iqrar Ahmad Khan Vice Chancellor	Horticulture	18.12.2008 10:00 a.m	Germplasm development for crop improvement
Prof. Dr. Muhammad Ashraf	Botany	01-01-09 11:00 a.m.	Enhancing Salinity Tolerance in plants: Challenges and prospects
Prof. Dr. Muhammad Arshad	Soil Science	15-01-2009 11:00 a.m.	Organic waste management: Recycling and value addition for developing useful soil amendments
Prof. Dr. Zafar Iqbal Randhawa	Parasitology	29-01-2009 11:00 a.m.	Importance of documentation and validation of traditionally used medicinal plants.
Prof. Dr. Muhammad Sarwar	Animal Nutrition	12-02-2009 11:00 a.m.	Nutritional status and strategies to improve it in Pakistan
Prof. Dr. M. Zargham Khan	Vet. Pathology	26-02-2009 11:00 a.m.	Mycotoxicosis in poultry and tissue residues
Prof. Dr. Ghulam Muhammad	CMS	12-03-2009 11:00 a.m.	Farmer's level diagnosis of sub-clinical mastitis premsis and promise with Agrivarsity technology

Prof. Dr. Allah Bukhsh	Irrigation Drainage	26-03-2009 11:00 a.m.	Aquifer storage and recovery technology (ASR).
Foreign Faculty Dr. Safder A. Anwar	Plant Pathology	09-04-2009 11:00 a.m.	Nematode threat to agriculture
Dr. Ali Asghar	Food Tech.	23-04-2009 11:00 a.m.	Meat science scope in Pakistan
Dr. Ahmad Hussan Elghorab	Food Tech.	07-05-2009 11:00 a.m.	Acrylamide formation in fried food and its inhibition by natural antioxidants
Dr. Abu Turab Muhammad Ali Ch.	Soil Science	21-05-2009 11:00 a.m.	Utilization of ISN tracer technique for the quantification of BNF to utilize N uptake
Dr. Muhammad Abdul Aziz	Animal Breeding & Genetics	04-06-2009 11:00 a.m.	Designing breeding programs for genetic improvement of Livestock

#### OPPORTUNITIES AT GLYNDWR UNIVERSITY (UK)

Glyndwr University is a member of the prestigious University of Wales, UK was formerly known as NEWI. The University currently has approximately 7,000 students and is based at Wrexham which is located between Manchester, Chester and Liverpool. The location makes it possible to provide Graduate and Post Graduate programs with all degrees awarded by itself or by the University of Wales, at competitive fees in a comfortable environment. Glyndwr University's academic schools offer a wide range of courses in many different subject areas but excel in Business and Engineering. They pride themselves by the fact that these courses are industry relevant and that their graduates have an excellent employability record. The latest results of the Destination of Higher Education Leavers Survey shows a 92% overall employability for their students six months after graduation. G.U is looking to recruit a substantial number of students for its Sep. 2009 intake and would like to offer a transfer of credit to your students on to the second year of the British degree for those who have completed an appropriate course of study with UAF. In addition to this Glyndwr University able to offer scholarship packages and one year free accommodation to every student from Pakistan. For further information, please Mr. Ifzal Afzal on 042-5787800, 5781800 or email to [ifzal@hygradeInternational.com](mailto:ifzal@hygradeInternational.com) or [Pakistan@glydwr.ac.uk](mailto:Pakistan@glydwr.ac.uk) or visit the website: [www.hygradeInternational.com](http://www.hygradeInternational.com)

#### Ph. D THESIS/SYNOPSIS DEFENCE

1. Mr. Bilal Aslam, Reg. No. 99-ag-933 a Ph D student in the Dept. of Physiology & Pharmacology will defend his Ph.D synopsis entitled "Determination of heavy metal residues in milk and meat of cattle and goat" on Tuesday, 20-01-2009 at 9:30 a.m. in the Faculty of Museum. All interested are cordially invited to participate.
2. Miss Zahira Batool, Reg. No. 94-ag-1748 a Ph D student in the Dept. of Rural Sociology will defend her thesis entitled "Socio-Cultural factors affecting anemia and its effects on mother and child health in the Rural areas of District Faisalabad, Punjab, Pakistan" on 17-01-2009 at 10:00 a.m. in the Conference Room of the Faculty of Agricultural Economics & Rural Sociology. All the interested persons are requested to participate.
3. Miss Neelam Sultan, Reg. No. 97-ag-1492 a Ph D student of Biochemistry in the Dept. of Chemistry & Biochemistry has successfully defended her synopsis entitled "Molecular heterogeneity of Alpha and Beta thalassemia in population of Punjab, Pakistan" as required under rules on 10-01-2009.
4. Mr. Zaheer Abbas Virk, Reg. No. 2000-ag-1073 a Ph D student in the Inst. of Soil & Environmental Sciences will defend his synopsis at the University level on 17-01-2009 at 1:00 p.m. in the Library of the Inst. of Soil & Environmental Sciences. The title of his synopsis is "Nitrogen use efficiency and growth of sugarcane as affected by Nitrogen sources, application types, sowing times and irrigation". All the Faculty members are requested to attend the presentation.
5. Mr. Furrkh Ilahi, Reg. No. 2000-ag-1313 a Ph D student in the Dept. of PBG will defend his Ph D synopsis in the Postgraduate Lab. of the Department on 26-01-2009 at 1:00 p.m. as required under the rules. The title of his synopsis is "Genetics of physiological and morphological parameters of sunflower (*Helianthus annuus*) under water stress conditions". All the teachers and students concerned are requested to contribute towards the improvement of the synopsis.
6. Mr. Ejaz Hussain Saddiqi, Reg. No. 2004-ag-607 a Ph D student in the Dept. of Botany has successfully defended his thesis on 10-01-2009 at 11:00 a.m. The title of his thesis is "Influence of salt stress on some physiological and biochemical attributes and oil composition of a potential oilseed crop safflower (*Carthamus tinctorius* L.)".
7. Mr. Iftikhar Ahmad, Reg. No. 2000-ag-501 a Ph D student in the Inst. of Horticultural Sciences will defend his research thesis at Landscape Studio of this Institute on Thursday, 15-01-2009 at 11:30 a.m. The title of his thesis is "Production potential and post-harvest management of cut rose flowers in Punjab, Pakistan". All interested are requested to attend.
8. Mr. Tariq Mahmood Khan, Reg. No. 83-ag-127 a Ph D student in the Dept. of Rural Sociology will defend his thesis entitled "Socio-cultural determinants of women's empowerment in Punjab, Pakistan" on 17-01-2009 at 12:15 p.m. in the Conference Room, Faculty of Agri. Economics & Rural Sociology. All the interested are requested to participate.
9. Mr. Muhammad Ibrahim, Reg. No. 96-ag-1584 a Ph D student in the Inst. of Soil & Environmental Sciences will defend his thesis in a seminar at the University level on 17-01-2009 at 11:00 a.m. in the Library of the Institute. The title of his thesis is "Effect of tillage and farm manure on soil properties, crop growth and carbon sequestration under wheat-rice system". All the Faculty members are requested to attend the presentation.
10. Mr. Khalid Iqbal, Reg. No. 90-ag-1267 a Ph.D student of the Dept. of PBG will defend his Ph D thesis in Postgraduate Lab. of this department on 22-01-2009 at 10:00 a.m. The title of his thesis is "The potential for breeding upland cotton under limited water conditions". All concerned are requested to make it convenient to attend and contribute for improving the thesis.
11. Miss Farah Ali, Reg. No. 93-ag-811 a Ph D student in the Dept. of Theriogenology will defend her Ph D thesis on 15-01-2009 at 11:00 a.m. in the Museum of the Faculty of Vet. Sciences, UAF. The title of her thesis is "Biochemical profiles in fertile, subfertile, estrual and pregnant mares". All interested persons are cordially invited.
12. Mr. Khalid Zafar, Reg. No. 88-ag-1380 a Ph D student in the Dept. of Agricultural Entomology will defend the synopsis of his Ph D thesis in the Seminar Room of this department on 22-01-2009 at 11:30 a.m. as required under the rules. The title of his synopsis is "Bio-intensive management of American bollworm *Helicoverpa armigera* hubner on Sunflower (*Helianthus annus* L.) in Punjab, Pakistan". All concerned are requested to attend and contribute towards the improvement of the synopsis.

13. Mr. Muhammad Raza Hameed Reg. No. 2001-ag-485 a Ph D Scholar in the Dept. of Pathology has successfully defended his Ph D synopsis on 13-01-2009 at 11:00 a.m. in the Faculty Museum. The title of his Synopsis is "Ochratoxicosis in Chicken: Pathological, Biochemical alterations and tissue residues".
14. Mr. Hafeez ur Rehman, Reg. No. 2001-ag-1018 a Ph D student in the Dept. of Agronomy is going to defend his synopsis on January 22, 2009 at 1:00 p.m. in the Lecture Room of the department of Crop Physiology. The title of his synopsis is "N-Zn dynamics under different rice cultures". All interested are invited to attend the synopsis defense.
15. Mr. Ikram-ul-Haq, Reg. No. 90-ag-1070 a Ph D student in the Dept. of PBG will defend his Ph D thesis on 22-01-2009 at 12:30 a.m. in the Farmer's Syndicate Hall, UAF. The title of his thesis is "Genetic basis of variation for salinity tolerance in okra". After a successful defense his thesis will be placed, from January 26 to February 2, 2009, in the office of the Chairman Dept. of PBG UAF. All interested are requested to kindly attend the defense and review the thesis for possible improvements.
16. Mr. Ansar Ali, Reg. No. 97-ag-1051 a Ph.D student in the Dept. of Agronomy is going to defend his thesis on January 20, 2009 at 12:00 noon. in the lecture Room of the Department of Crop Physiology. The title of his thesis is "Influence of silicon on wheat grown under saline environments". All interested are invited to attend the thesis defense.
17. Shumaila Kirn, Reg. # 2002-ag-2582, a Ph.D. student in the Department of Chemistry has successfully defended her Ph.D. synopsis entitled "Comparative study of various decolourization processes for synthetic dyes" as required under the rules on January 10, 2009.
18. Mr. Muhammad Arfan Zaman, Reg. # 99-ag-934, a Ph.D. student in the Department of Parasitology will defend his Ph.D. research synopsis entitled "Anti parasitic activity of herbal formulation based on different plants used in traditional veterinary medicine in Pakistan" on January 17, 2009 at 10.30 am in the Faculty Museum, Faculty of Veterinary Sciences, UAF. All interested are cordially invited.
19. Miss Samina Kausar, Reg. # 99-ag-1835, a Ph.D student in the Department of Rural Sociology will defend her Ph.D thesis entitled "Drinking water quality and its implications for human health in Punjab, Pakistan" on January 20, 2009 at 11.00 am in the conference room, Faculty of Agricultural Economics & Rural Sociology. All interested are requested to participate.
20. Mr. Abdul Khaliq, Reg. # 77-ag-85, a Ph.D student in the Department of Irrigation and Drainage will defend his research synopsis on 23-01-2009 at 9.00 am in the Library, Faculty of Agricultural Engineering and Technology. The title of his synopsis is "Modeling the effect of groundwater pumping on water table of a Faisalabad water supply scheme". All concerned are requested to attend and contribute.
21. Mr. Muhammad Bilal Chattha Reg. No 99-ag-1409, a Ph.D. student, Department of Agronomy, will defend his Ph.D. thesis on 24-01-09. The title of his thesis is "Physio-Agronomic Response of Spring Planted Sugarcane (*Saccharum Officinarum* L.) Under Different Management Practices". All interested persons are invited to participate.
22. Mr. Shabbir Hussain, Reg. No. 2001-ag-899 a Ph D student in the Dept. of Agronomy will defend his Ph D synopsis on 21-01-2009 at 01:00 p.m. in the Dept. of Agronomy UAF. The title of his synopsis is "Impact of polymines and nitrogen application on water economy of hybrid maize (*zea mays*)". All interested persons are invited to participate.
23. Mr. Shahid Nisar, Reg. No. 95-ag-1565 a Ph D student in the Dept. of Agri. Entomology will defend the synopsis of his Ph D thesis research in the seminar room of this department on 22-01-2009 at 11:00 a.m. as required under rules. The title of his synopsis is "Toxic effect of plant extracts on the behavior and physiology of the Termites *Microtermes obesi* (Isoptera: Termitidae). All concerned are requested to attend and contribute towards the improvement of the Synopsis.
24. Mr. Naeem Sarwar Regd. No. 2001-ag-834, a Ph.D student, Department of Agronomy, will defend his Ph.D Synopsis on 20-01-09. The title of his synopsis is "Studies in nursery management and effect of Boron and Zinc in flooded and Aerobic rice". All interested persons are invited to participate.
25. Mr. Muhammad Ilyas Khokhar, Regd. No. 99-ag-1205, Ph.D student of the Department of Plant Breeding and Genetics will defend his Ph.D synopsis in the Postgraduate Laboratory of this Department on 22-01-09 at 1:00 p.m. The title of his synopsis is "Genetic variation for yield, quality and drought tolerance in cotton". All concerned are requested to attend and contribute towards the improvement of the synopsis.
26. Miss. Azra Yasmeen, Regd. No. 96-ag-662 is going to defend her synopsis on 27-01-09 in the lecture room of Crop Physiology. The title of his synopsis is "Exploring the Potential of Moringa Leaf Extract as Plant Growth Promoter". All interested are invited to attend the synopsis defend.
27. Mr. Raja Ghulam Muhammad Hur. Regd. No. 2001-ag-1091 is going to defend his synopsis on 26-01-09 in the lecture room of the Department of Crop Physiology. The title of his synopsis is "Ameliorative effects of foliar-applied potassium on cotton plants exposed to water stress". All interested are invited to attend the synopsis defense.
28. Mr. Muhammad Nadeem Regd # 2001-ag-905 a Ph.D student at Institute of Horticultural Sciences has successfully defended his research synopsis entitled "Morphogenetic Analysis of Hip bearing Hybrid Roses" at Floriculture & Landscape Studio of the Institute on Saturday January 10, 2009 at 12.45 pm.
29. Mr. Waqas Malik, Regd # 2007-ag-222 a Ph.D. student in the Department of Plant Breeding & Genetics will defend his Ph.D. synopsis entitled "Genetic dissection of fibre yield and quality traits in colored cotton" on January 26, 2009 at 11.00 am in the Farmer's Syndicate hall, UAF. The interested teachers and students are cordially invited to attend and contribute.
30. Mr. Aftab Ashraf, Regd # 2006-ag-746, a PhD student in the Department of Chemistry & Biochemistry has successfully defended his synopsis entitled "Antioxidant antimicrobial and antiscalant properties of selected species of *Focus*" as required under the rules on January 14, 2009.
31. Mr. Muhammad Zubair, Reg. # 2006-ag-555, a Ph.D. student in the Department of Chemistry & Biochemistry has successfully defended his synopsis entitled "Characterization of selected varieties of rice (*Oryza sativa*) and its By-products (Rice bran) for valuable nutrients and antioxidants" as required under rules on January 14, 2009.
32. Mr. Tahir Mahmood Regd # 2001-ag-1391 a Ph.D. student in the Department of Chemistry & Biochemistry will defend his Ph.D. synopsis entitled "Characterization of selected Berries and Cherries Fruits for Valuable Nutrients and Antioxidants" will be held on January 23, 2009 at 10.00 am in the Chemistry Lecture Tehatre. All interested are cordially invited to participate and contribute.
33. Miss Sumreen Siddiq, Regd # 99-ag-1130, a Ph.D. student of Institute of Soil & Environmental Sciences will defend her synopsis entitled "Growth and yield response of tomato (*Lycopersicon esculentum* Mill) cultivars to calcium carbide mediated through photosynthesis, antioxidant activity and nitrogen (N) use efficiency" at the University level on January 24, 2009 at 1.00 pm in the library of the institute. All faculty members and interested are cordially invited to attend and contribute.

34. Mr. Muhamamd Arslan Ashraf, Regd # 2002-ag-1125, a Ph.D student in the Department of Botany has successfully defended his synopsis entitled "Physiological and molecular characterization of salt tolerance in two genetically diverse spring wheat (*Triticum aestivum* L.) cultivars" on January 12, 2009 at 11.00 am in the seminar room of the Department.

#### QUOTATIONS

1. Sealed quotations are invited from the sales tax registered firms for the supply of 1 Desktop Computer under ACIAR project entitled "Optimizing canal and groundwater management to assist water user associations in maximizing crop production and managing salinisation". The required specifications can be seen in the office of the Director/Coordinator of ACIAR Project, Dr. Rai Niaz Ahmad during working hours. The quotations should reach in the office of the Director, WMRC, UAF within 5 days after the publication of this notice in the Campus News.
2. Sealed quotations are invited from sales tax registered suppliers/firms for the purchase of Chemicals for Miss Shumaila Khan, M Phil leading to Ph D student of Biochemistry under indigenous Ph D fellowship. The quotations should reach the office of the PI Molecular Biochemistry Lab., Dept. of Chemistry & Biochemistry within 3 days after the publication of this notice. The list can be obtained from the PI during working hours. An earnest money @ 2% of the estimated cost should also be deposited along with the quotations.
3. Sealed quotations are invited from sales tax registered suppliers/firms for the purchase of chemicals for Miss Sumaira Kausar M.Phil leading to PhD student of Biochemistry under indigenous Ph.D fellowship. The quotations should reach the office of the PI, Molecular, Biochemistry Lab., Dept. of Chemistry & Biochemistry, within 3 days after the publication of this notice in the Campus News. The list can be obtained from the PI during working hours. An earnest money @ 2% of the estimated cost should also be deposited along with the quotations.
4. Sealed quotations are invited from sales tax registered suppliers for the purchase of one complete UPS system of 1000 Watts with installation under the project "On Farm Research & Development Component (Part-B), University of Agriculture, Faisalabad." Quotations should reach in the office of the Director, WMRC, UAF within 3 days of the publication of this notice in the Campus News. An earnest money @ 2% of the estimated cost in the shape of bank draft, deposited in the name of Director, WMRC, UAF should be accompanied with the quotations.
5. Sealed quotations are invited from the university and sales tax registered contractors for the purchase of Computer P-IV along with accessories etc. Quotations should reach in the office of Principal Investigator, Indigenous M.Phil Fellowship Department of Chemistry & Biochemistry within 3 days after the publication of this notice in the Campus News along with 2% earnest money in the shape of CDR/Bank draft. Details can be seen from the office of the P.I, Ms. Sofia Nosheen, during office hours.
6. Sealed quotations are invited from the sales tax registered suppliers for the purchase of chemicals/kits to the PI of HEC funded Indigenous 5000 Ph.D fellowship Phase-IV scheme of Mr. Rifat Ullah Khan, Pin # 074-0252-Av4-014, Department of Physiology and Pharmacology. An earnest money @ 2% of the estimated cost 68,100/- in the shape of Bank Draft/Security Receipt deposited in the name of Prof. Dr. Zia-ur-Rehman, PI/Supervisor should accompany the quotations. The rates should be given both in figures and words without any over writing. The quotations should reach in the office of PI within three days after the publication of this notice in the Campus News. The list can be seen in the office the supervisor during office hours.
7. Sealed quotations are invited from the sales tax registered suppliers for the purchase of chemicals/kits to the PI of HEC funded Indigenous 5000 Ph.D fellowship Phase-III scheme of Mr. Haseeb Anwar, Pin # 063-171172-Av3-079, Department of Physiology and Pharmacology. An earnest money @ 2% of the estimated cost 74,400/- in the shape of Bank Draft/Security Receipt deposited in the name of Prof. Dr. Zia-ur-Rehman, PI/Supervisor should accompany the quotations. The rates should be given both in figures and words without any over writing. The quotations should reach in the office of PI within three days after the publication of this notice in the Campus News. The list can be seen in the office the supervisor during office hours.
8. Sealed quotations are invited from the university and sales tax registered contractors for the purchase of chemicals, glassware, supplies/consumable etc. Quotation should reach in the office of the Principal Investigator of project "Development standardization and evaluation of probiotics in poultry" department of microbiology within 3 days after the publication of this notice in the Campus News along with 2 % earnest money in the shape of CDR/Bank Draft. Details can be seen from the office PI during office hours.

#### TENDER NOTICE

The sealed percentage rate/item rate tenders are hereby invited from the approved contractor of this University up to 3 days after the publication of this notice in the Campus News for the following works. The time of opening of tender will be at 11:00 a.m. detail of works may be seen in the Office of the Executive Engineer (ECD) or any working day during office hours.

Sr. No.	Name of Work	Estimated Cost	Earnest Money	Period of Completion
1.	Provision of water supply Sanitary Fitting and sewerage system of New Toilet Block at junior Lab. School UAF.	2,31,960/-	4639/-	1-month

(i) The tenders will be opened in the office of Executive Engineer in the presence of the contractors or their authorized agents who may care to be present. (ii) The Executive Engineer of the University reserved the right to accept or reject any or all the tender with out assigning any reason. (iii) The successful contractors will be required to carry out the works according to PWD specification entire satisfaction of the Executive Engineer and within the specified limit, failing which a penalty of 5% will be charged from the bills and (iv) The earnest money 2% of bid value must accompany with the quotation other wise the quotations will not be accepted.

### سانحہ ارتحال

کیمپس پر یہ خبر انتہائی دکھ اور افسوس کے ساتھ پڑھی اور سنی جائے گی کہ شعبہ انٹوماالوجی کے ریٹائرڈ پروفیسر صوفی منظور احمد کی اہلیہ اور ایسوسی ایٹ پروفیسر ڈاکٹر فاروق احمد کی والدہ محترمہ گذشتہ دنوں تفسائے الہی سے انتقال فرما گئی تھیں۔ ڈاکٹر فاروق احمد مرحومہ کی تجہیز و تکفین کے بعد اپنے فرائض منصبی کی ادائیگی کے لئے اپنے دفتر تشریف لائے ہیں۔ احباب ان سے تعزیت کے لئے رابطہ کر سکتے ہیں۔ شعبہ تعلقات عامہ و مطبوعات ڈاکٹر فاروق احمد کے غم میں برابر کا شریک ہے اور مرحومہ کی مغفرت و بلندی درجات کے لئے دعا گو ہے۔
