

RECOGNITION OF THE MERITORIOUS SERVICES OF UAF SCIENTISTS

In recognition of meritorious services rendered in the field of science and technology, and on the recommendations of the ministry of science & technology, President Islamic Republic of Pakistan decorated two scientists with civil awards "presidential award for technology" Whereas three others were awarded presidential award "Izaz-e-Fazeelat" on the recommendations of the ministry of education. Federal Minister for Science & Technology Azam Khan Sawati awarded Dr. M Sarwar Khan of Plant Molecular Biology, Centre of Agricultural Biochemistry and Biotechnology (CABB), and Prof. Dr. M. Zafar Iqbal Randhawa of Parasitology department and Executive Director Endowment Fund Secretariat with "presidential award for technology" in a ceremony held at Islamabad. Prof. Dr. Iftikhar Ahmad Khan Dean Agriculture, Dr. M. Mumtaz Khan of Inst. of Horticultural Sciences, and Dr. Mehar-un-Nisa received "Izaz-e-Fazeelat" by the federal minister for education Mir Hazaar Khan Bajarani in a ceremony held at Quaid-e-Azam Library, Islamabad.

Prof. Dr. M. Sarwar Khan has a number of scientific achievements and publications in the highly impact factored international journals including Nature and Nature Biotechnology. This has indeed earned a good name to the University. Dr. Khan is pioneer to have established an internationally recognized research group developing biosafe transgenic plants at NIBGE and is developing the same at CABB. His research interests include; chloroplast biotechnology and expression of genes conferring economic traits related to agriculture and health sectors.

Dr. Iqbal is well recognized among national and international scientific arena in the field of Veterinary Parasitology. He has produced 07 PhDs as major supervisor, and 07 as co-supervisor. The total number of M.Sc.(Hons) produced by him is 25 as major supervisor, and 38 as co-supervisor. He has published 53 research papers with a total impact factor of > 70, and 80 papers in the local journals. Dr. Randhawa was ranked as an excellent researcher by the President of The Ohio State University based on his research out put in one year post-doctoral fellowship. He was awarded scientist of the year award and Professor A.R. Shakoori Gold Medal during 2004 by the Zoological Society of Pakistan. Dr. Iqbal was declared as the Best University Teacher 2007 by the Higher Education Commission, Islamabad-Pakistan.. Other than Pakistan, his research was accepted for presentation in USA, China, Korea, Malaysia, Argentina, India, Australia, Cuba, Senegal and Vietnam. Dr. Iqbal has authored 04 books and 03 manuals and has contributed three chapters to the books published by the Taylor and Francis (New York, USA), Studium Press (Houston, USA) and Signpost, Trivandrum (Kerala, India). One of the excellent academic and research contributions of Dr. Iqbal is regular publication of the *International Journal of Agriculture and Biology*, which was founded and headed by him as editor-in-chief from 1999 to 2006.

Dr. Iftikhar Ahmad Khan Dean Faculty of Agriculture who is already a recipient of presidential award "Tamgha-e-Imtiaz" earlier has now been awarded "Izaz-e-Fazeelat" by ministry of education. Dr. Khan who has served as Director CABB for many years is now holding the office of Principal Officer (Students' Affairs). During thirty six years teaching and research he produced 13 PhDs and 90 students with M.Sc. (Hons.) as their major supervisor; produced 10 Ph.Ds and 120 post-graduate students as member of their supervisory committee; at present guiding 3 Ph.D. and 2 MSc leading to PhD students as their major supervisor. Recognized/identified as supervisor for Ph.D. students in PBG by PCST, Member S & T, HEC Pakistan and SALU, Khairpur, Sindh.

Dr. Muhammad Mumtaz Khan, a Professor of Horticulture, has undertaken several academic assignments at 4 universities including two international universities (University of Sheffield UK, and Sultan Qaboos University Sultanate of Oman). He produced 16 MSc and 4 PhD scholars as major supervisor and also served largely as thesis dissertation committee member of different department. He has established Citrus Nursery Sanitation Laboratory ever first in the country at Inst. of Horticultural Sciences UAF. Dr. Mumtaz has developed certified citrus trees to provide basis for high quality virus free citrus plants of the stakeholders. He has the honour to act as research coordinator for Australian (ASLP) citrus project at Faisalabad campus. Dr. Mumtaz Khan published two books entitled "Citrus Nursery Raising: Principles and Practices, and "Citrus Gene Pool of Pakistan".

Dr. Mahr-un-Nisa of Institute of Animal Nutrition and Feed Technology completed her PhD degree in 2002 under the supervision of Prof. Dr. Muhammad Sarwar, founder director of the Institute. Higher Education Commission approved her name as HEC PhD supervisor. She has produced three PhDs, 07 MScs as major supervisor and nine PhDs, 13 MScs as member supervisory committee. At present three PhD and 06 MSc students are pursuing their PhD and MSc under her direct guidance and she is a member supervisory committee of three PhD and four MSc students. With more than 45 impact factor and 56 international, 30 national research papers, 52 proceedings (national and international), she wrote 2 books and 2 monograph. From 2003 to onward she is regularly winning research productivity allowance by Pakistan Council for Science and Technology, Islamabad.

LAST DATE FOR SUBMISSION OF SEMI FINAL/FINAL THESIS

According to the general instruction No. 23 approval by the Advanced Studies and Research Board, the last date for submission of Semi Final thesis for Spring Semester 2008-09 is 07-07-2009 and final thesis is 15-07-2009. The E/30 forms of the students must be submitted before the submission of Semifinal thesis otherwise, their Semifinal thesis will not be accepted. Such students, who fail to submit their Semifinal / Final thesis up to the stipulated date, will have to enroll Summer Session 2009.

ASSUMPTION OF CHARGE

Professor Dr. Nazir Ahmad has assumed the charge of the Chairman, Department of Theriogenology (Animal Reproduction), UAF, w.e.f. 20-05-2009. In future, all official and demi-official correspondence may please be addressed to him.

PLACEMENT OF PhD THESIS

1. Mr. Rashad Mukhtar Bilal, Reg. No. 97-ag-1179, a PhD student of the Institute of Horticultural Sciences will place his PhD thesis entitled "Morpho-physiological and Biochemical Characterization and *in vitro* Propagation of Salt Tolerant Citrus Rootstocks" in the library of the Institute of Horticultural Sciences, Faculty of Agriculture, from 10-06-2009 to 17.06.2009. All interested are invited to review the thesis and offer suggestions.
2. PhD thesis of Saima Hafeez Khan Regd # 97-ag-1366 a PhD student in National Institute of Food Science & Technology will be placed in the office of DG, NIFSAT for one week prior to its submission for foreign evaluation. The faculty and the students are invited to pursue the thesis for any suggestion/corrections. All staff members and students are welcome to read/consult the thesis.

PhD THESIS/SYNOPSIS DEFENCE

1. Saba Riaz, Reg. No. 2004-ag-292, PhD (Biochemistry) student of the Department of Chemistry & Biochemistry has successfully defended her synopsis as required under rules on 27-05-2009. The title of her synopsis was "Study on mechanism of poly (A) coupling to transcription in eukaryotic cell lines".
2. Raheela Jabeen, Reg. No. 2004-ag-153, PhD Biochemistry student of the Department of Chemistry & Biochemistry has successfully defended her synopsis as required under rules on 27-05-2009. The title of the synopsis as approval during the defence was "Heterologous expression of bioactive genes induced from *Ricinus communis* under fungal stress".
3. Mr. Atique ur Rehman, Reg. No. 2002-ag-1832, a PhD student, Department of Agronomy, has successfully defended his PhD synopsis on 28-05-2009 at 1:00 pm in the Department of Agronomy, UAF. The title of his synopsis is "Improving the performance of water-saving rice production systems by boron application".
4. Mr. Muhammad Arif, Reg. No. 2002-ag-1649, a PhD student, Department of Agronomy, has successfully defended his PhD synopsis on 04-06-2009 at 1:00 pm in the Department of Agronomy, UAF. The title of his synopsis is "Exploiting crop allelopathy for weed management in wheat".
5. Mr. Muhammad Atiq ur Rahman, Reg. No. 2002-ag-1636, PhD student of the Institute of Soil & Environmental Sciences has successfully defended his synopsis in a seminar at the University level on 25-05-2009 at 02:00 pm in the Library of the Institute of Soil & Environmental Sciences. The title of his synopsis is "Physiological and biochemical characterization of crop genotypes for root mediated acidification and tolerance to salinity and sodicity".
6. Mr. Muhammad Mazhar Iqbal, Reg. No. 2002-ag-1621, PhD student of the Institute of Soil & Environmental Sciences has successfully defended his synopsis in a seminar at the University level on 28-05-2009 at 01:00 pm in the Library of the Institute of Soil & Environmental Sciences. The title of his synopsis is "Polycyclic aromatic hydrocarbon pollutants in waste water and aerosols at Faisalabad and their effects on wheat and maize crops".
7. Mr. Muhammad Shafique Reg. No. 86-ag-1108, a PhD student of the Department of Plant Pathology, has successfully defended his PhD thesis at University level on 11-05-2009 at 11:00 am in the post-graduate seminar room of Department of plant Pathology. The title of his thesis is "Physico-chemical characterization of Erwinias associated with black leg of potato and its managements".
8. Mr. Naeem Fiaz, Reg. No. 2002-ag-1732, a PhD student, Department of Agronomy, has successfully defended his PhD synopsis on 14-05-2009 at 1:00 pm in the Department of Agronomy, UAF. The title of his synopsis is "Evaluating the sources and methods of zinc application to improve the performance of rice (*Oryza sativa* L.)".
9. Mr. Muhammad Amin, Reg. No. 2002-ag-1592, a PhD student, Department of Agronomy, has successfully defended his PhD synopsis on 14-05-2009 at 1:30 pm in the Department of Agronomy, UAF. The title of his synopsis is "Improving the performance of maize (*Zea mays* L.) by silicon application under drought conditions".
10. Mr. Muhammad Aslam, a PhD student, Department of Agronomy, has successfully defended his PhD synopsis on 21-05-2009 at 1:00 pm in the Department of Agronomy, UAF. The title of his synopsis is "Improving the drought tolerance in maize (*Zea mays* L.) hybrids by potassium application".
11. Miss Rasheeha Naveed, Reg. No. 2002-ag-456, PhD scholar, Department of Microbiology has successfully defended her PhD synopsis in Faculty Museum on 28-05-2009 at 11:00 am. The title of her synopsis is "Efficacy of some indigenous essential oils against bacteria and fungi of public health importance".
12. Mr. Wasif Nouman Reg. No. 99-ag-1060, PhD student in the Department of Forestry Range Management and Wildlife, has successfully defended his PhD synopsis on 04-06-2009. The title of his synopsis is "Exploring the Potential of *Moringa oleifera* as Field Crop and Plant Growth Enhancer".
13. Mr. Tariq Aziz Reg. No. 2002-ag-1452, a PhD student, Department of Agronomy, has successfully defended his PhD synopsis on 23-04-2009 at 1:30 pm in the Department of Agronomy, UAF. The title of his synopsis is "Exploring the potential of local and exotic genotypes for water saving rice cultivation".
14. Mr. Irfan Ashraf Reg. No. 95-ag-1384, PhD student of the Department of Forestry Range Management and Wildlife, will defend his PhD synopsis at University level on 15-06-2009 at 10:00 am in the lab of the Department. The title of his synopsis is "Studies on the Ecology and non-chemical control of wild boar (*Sus scrofa cristatus*) population in the area of Islamabad, Pakistan". All interested are requested to participate.
15. Mr. Muhammad Abdullah Reg. No. 2001-ag-2617, PhD student of the Department of Forestry Range Management and Wildlife, will defend his PhD synopsis at University level on 10-06-2009 at 10:00 am in the lab of the Department. The title of his synopsis is "Assessment of Productive Potential of Browse Species and their Management Strategy in the Degrading Rangelands of Cholistan Desert". All interested are requested to participate.
16. Mr. Muhammad Rafay Reg. No. 2001-ag-1152, PhD student of the Department of Forestry Range Management and Wildlife, will defend his PhD synopsis at University level on 10-06-2009 at 10:00 am in the lab of the Department. The title of his synopsis is "Studies on the Productive Potential and Conservation Strategy of Major Grasses in the Degrading Rangeland of Cholistan Desert". All interested are requested to participate.
17. Mr. Arshed Bashir, Reg. No. 89-ag-876, a PhD student in the Department of Rural Sociology will defend his synopsis entitled "Role of social capital in equitable water distribution under participatory irrigation management system in the Punjab" on 12-06-2009 at 10:30 am in the conference room of the Faculty of Agri. Economics & Rural Sociology. All interested are requested to participate.
18. Miss Saima Naz Reg. No. 2004-ag-334, PhD student, Department of Zoology & Fisheries, will deliver a seminar in the defence of her PhD synopsis entitled, "Growth responses and metal accumulation patterns in fish exposed to chronic metal mixture concentrations" on 13-06-2009 at 9:00 am in the seminar room of the department. The members of the Supervisory Committee are requested to make it convenient to attend and evaluate. All interested are cordially invited.
19. Miss Moazama Batool Reg. No. 2004-ag-483, PhD student, Department of Zoology & Fisheries, will deliver a seminar in the defence of her PhD synopsis entitled, "Studies on acute and chronic responses of *Channa marulius*, *Sperata sarwari*, *Rita rita* and *Wallago auto* to individual metals and metal mixtures." on 15-06-2009 at 10:00 am in the seminar room of the department. The members of the Supervisory Committee are requested to make it convenient to attend and evaluate. All interested are cordially invited.
20. Miss Rahila Ilyas Reg. No. 2006-ag-513, PhD student, Department of Zoology & Fisheries, will deliver a seminar in defence of her PhD synopsis entitled, "Comet and micronuclei assay for the detection of genotoxicity in blood cells of fish exposed to selected organochlorines" on 16-06-2009 at 9:00 am in the seminar room of the Department. The members of the Supervisory Committee are requested to make it convenient to attend and evaluate. All interested are cordially invited.
21. Miss Safina Kausar Reg. No. 2006-ag-510, PhD student, Department of Zoology & Fisheries, will deliver a seminar in defence of her PhD synopsis entitled, "Assessment of genotoxicity in peripheral erythrocytes of fish exposed to metal toxicity" on 16-06-2009 at 10:00 am in the seminar room of the Department. The members of the Supervisory Committee are requested to make it convenient to attend and evaluate. All interested are cordially invited.
22. Miss Tabinda Shoukat Reg. No. 2006-ag-512, PhD student, Department of Zoology & Fisheries, will deliver a seminar in the defence of her PhD synopsis entitled, "Comparative study on the genotoxic effects of metals in *Tilapia nilotica*, *Cyprinus carpio* and *Ctenopharyngodon idella* by using fish cell lines" on 13-06-2009 at 10:00 am in the seminar room of the department. The members of the Supervisory Committee are requested to make it convenient to attend and evaluate. All interested are cordially invited.
23. Mr. Muhammad Zafar, Reg. No. 88-ag-1184, a PhD student, Department of Agronomy, will defend his PhD thesis on 24-06-2009 at 12:15 pm in the Video Conference Room, Faculty of Agriculture UAF. The title of his thesis is "Weed management studies in sugarcane (*Saccharum officinarum* L.)". All the interested persons are invited to attend the presentation.
24. Miss Abida Aziz, Reg. No. 2002-ag-1392, a PhD student in the Department of Botany will defend her PhD synopsis on 15-06-2009 at 09:00 am in the seminar room of the Department of Botany. The title of her synopsis is "Exploring the heavy metal pyroremediation potential of *Chenopodium* species". All interested are cordially invited to please attend.

25. Miss Asima Batool, Reg. No. 2004-ag-263, a PhD student in the Department of Botany will defend her PhD synopsis on 15-06-2009 at 10:00 am in the seminar room of the Department of Botany. The title of her synopsis is "High temperature stress tolerance of rice in aerobic culture". All interested are cordially invited to attend and contribute.
26. Mr. Muhammad Ibrahim Reg. No. 95-ag-1214, a PhD student, Department of Agronomy, will defend his PhD thesis on 11-06-2009 at 01:00 pm in the Video Conference Room, Faculty of Agriculture, UAF. The title of his thesis is "Determining forage production of maize sown as a mixture with different legumes under different nitrogen applications". All interested persons are invited to attend the presentation.
27. Mr. Ch. Muhammad Shahid Hanif, Reg. No. 2001-ag-992, a PhD student of the Department of Agri. Entomology, will defend his PhD synopsis entitled "Response of three stored grains insect pest to different combinations of phosphine and essential oils of different plants" on 09-06-2009 at 10:30 am in the Seminar Room in the Department of Agri. Entomology, UAF. His synopsis has been deposited in the chairman office of the department of Agriculture Entomology. Interested may view the synopsis during office hours. All concerned are requested to attend and contribute.
28. Mr. Zaheer Sikandar, Reg. No. 86-ag-1009, a PhD student of the Department of Agricultural Entomology, will defend the synopsis of his PhD thesis research in the Conference Room of the Department of Agri. Entomology on 12-06-2009 at 10:00 am as required under the rules. The title of his synopsis is "Cellular defence response of American bollworm, *Helicoverpa armigera* (Hubner) larvae fed *Bacillus thuringiensis* at different temperature and relative humidity combinations. All concerned are requested to attend and contribute towards the improvement of the synopsis.
29. Mr. Ghazanfar Ali Khan Regd # 93-ag-1344, a PhD student in the Department of Agricultural Extension will defend his PhD thesis on 16-06-2009 at 3.00 pm in the Video Conference Hall, Faculty of Agriculture. The title of his thesis is "Present and prospective role of electronic media in the dissemination of agricultural technologies among the farmers of the Punjab, Pakistan". All concerned are cordially invited to come and contribute.
30. Mr. Ahsan ul Haq Reg. No. 2006-ag-791, PhD student, Department of Forestry Range Management and Wildlife, will defend his PhD synopsis at University level on 15-06-2009 at 11:00 am in the Lab of the Department. The title of his synopsis is "Present Status and Potential Contribution of Various Non-Wood Forest Products in the Earthquake Prone Northern Belt of Pakistan". All interested are requested to participate.
31. Mr. M. Makky Javaid Reg. No. 2002-ag-1747, a PhD student of the Department of Plant Pathology, will defend his PhD synopsis at University level on 15-06-2009 at 10:00 am in the seminar room of Department of plant Pathology. The title of his synopsis is "The relationship of soil factors with citrus nematode, *T. semipenetrans* associated with citrus slow decline and its management". All interested are requested to participate.
32. Mr. Faisal Nadeem Reg. No. 2002-ag-1703, a PhD student of the Department of Plant Pathology, will defend his PhD synopsis at University level on 15-06-2009 at 11:00 am in the seminar room of Department of plant Pathology. The title of his synopsis is "Characterization of epidemiological factors of mango sudden death syndrome and its integrated management". All interested are requested to participate.
33. Mr. Muhammad Kamran Reg. No. 2002-ag-1716, a PhD student of the Department of Plant Pathology, will defend his PhD synopsis at University level on 15-06-2009 at 12:00 noon in the seminar room of Department of plant Pathology. The title of his synopsis is "Biological management of vegetable pests by EPNS, their associated bacteria and toxins". All interested are requested to participate.
34. Mr. Muhammad Intizar-ul-Hassan Reg. No. 85-ag-1158, a PhD student of the Department of Plant Pathology, will defend his PhD synopsis at University level on 15-06-2009 at 9:00 am in the seminar room of Department of plant Pathology. The title of his synopsis is "Relationship of meteorological variables with lentil grey mold disease development and its management". All interested are requested to participate.
35. Mr. Shabbir Shakoar, Reg. No. 74-ag-111, PhD student of the Department of Plant Breeding and Genetics will defend his PhD thesis in the Video Conference Room on 15-06-2009 at 01:00 pm. The title of his thesis is "Genetics of physio-morphological traits in cotton (*Gossypium hirsutum*) under drought and normal conditions". All faculty members and concerned are requested to attend for suggestions in the improvement of presentation of the research work in the thesis.
36. Synopsis defence of Ms. Fariha Nazneen Reg. No. 1992-ag-651 student of PhD Biochemistry, Department of Chemistry & Biochemistry entitled "Evaluation of some desert plants for antiglycation and antioxidant activities" will be held on 15-06-2009 at 08:00 am in Biochemistry Laboratory. All interested are invited to attend.
37. Mr. Pervaiz Sikandar. Reg. No. 90-ag-829, a PhD student in the Department of Irrigation and Drainage, Faculty of Agri. Engg. and Technology will defend his thesis entitled "Groundwater Management Using Vertical Electrical Sounding Survey and Tubewell Auditing at Farmers' Fields" on 16-06-2009 at 09:00 am in the Video Conference Room, Old Senate Hall, UAF.
38. Mr. Muhammad Atif Riaz, Reg. No. 2000-ag-880, PhD student of the Institute of Soil & Environmental Sciences will defend his thesis in a seminar at University level on 16-06-2009 at 01:00 pm in the Video Conference Room, Faculty of Agriculture. The title of his thesis is "Physiological, biochemical and growth response of Sunflower to salinity and boron". All the faculty members are requested to attend the presentation.
39. Mr. Khuram Zia, Reg. No. 92-ag-1280, a PhD student, Department of Agri. Entomology will defend his PhD Research Thesis entitled "Sustainable Management of whitefly, *Bemisia tabaci* (Genn.) (Homoptera: Aleyrodidae) in Transgenic Cotton" on 22-06-2009 at 10:00 am in the video conference hall, Faculty of Agriculture. All concerned are requested to attend and contribute.
40. Miss Gull-e-Faran Regd No. 2001-ag-409, a PhD student in the Department of Chemistry & Biochemistry will defend her PhD synopsis entitled "Mutagenesis of *Streptococci* spp. For enhanced production of streptokinase" on 15-06-2009 at 8.45 am in Biochemistry Laboratory. All interested are invited to attend.
41. Mr. Shahid Ali PhD student, Department of Microbiology, Faculty of Veterinary Science will defend his PhD synopsis on 11-06-2009 at 11:15 am in the Faculty Museum. Title of his PhD synopsis is "Cell culture adaptation and attenuation of indigenous IBH-HPS virus and its evaluation as lyophilized oral against challenge in broiler chickens". All interested are invited to attend.
42. Miss Saira Jabeen Regd No. 2002-ag-457, a PhD student in the Department of Microbiology will defend her PhD synopsis entitled "Preparation and evaluation of cell culture adapted Newcastle disease thermostable V4 vaccine" on 13-06-2009 at 11.00 am in the Museum of Faculty of Veterinary Science. All interested are cordially invited to come and contribute.
43. Mr. Bilal Aslam, 99-ag-933, a PhD scholar of Department of Physiology and Pharmacology will deliver a seminar to defend his PhD thesis on 30.06.2009 at 12:00 (sharp) in the farmers syndicate room. The title of his thesis is "Determination of heavy metal residues in the milk and meat of cattle and goat". All interested are requested to participate.

AWARD OF LATE HAJI RANA ALLAH DAD KHAN / RANA AHMAD DIN KHAN THESIS ASSISTANTSHIP

Applications are invited on the prescribed forms (available from the office of the Director Advanced Studies) or can be downloaded from University website i.e. www.uaf.edu.pk for the award of Late Haji Rana Allah Dad Khan / Late Rana Ahmad Din Khan Thesis Assistantship, from the M.Sc. / M.Sc. (Hons.) / M.Phil. Students who have completed their course work and are going to submit their thesis to Controller of Examination, UAF by the end of Spring Semester 2008-09. The conditions for the award are (i) The amount of Late Haji Rana Allah Dad Khan / Late Rana Ahmad Din Khan Thesis Assistantship shall be Rs. 3500/- only, (ii) The Assistantship shall be awarded to a needy M.Sc. (Hons.) / M.Phil. Student for the preparation of his/her research thesis, and (iii) All regular M.Sc. / M. Sc. (Hons.) / M.Phil. Students shall be eligible for the award of this assistantship provided they have completed their course work program, research work and are in the process of manuscript writing. Complete applications in all respects must be submitted in the office of the Director Advanced Studies upto 16-06-2009. Incomplete applications and those received late shall not be entertained.

MUSHAIRA ORGANIZED BY FACULTY OF VETERINARY SCIENCE

Art and Literary Society, Faculty of Veterinary Science organized Mushaira on May 20, 2009 in Old Senate Hall of the University under the supervision of Prof. Dr. Muhammad Siddique, Dean, Faculty of Veterinary Science and Dr. Muhammad Arshad, Associate Senior Tutor, UAF the students of the faculty and more than 20 important poets of Faisalabad and Lahore Participated in the Mushaira.

QUOTATIONS

1. Sealed quotations are invited from the sales tax registered firm for the purchase of chemicals, media etc worth of Rs. 61,000 in PSF funded research project No. PSF/P-AU/Bio (367). The quotations should reach the office of the Dr. Iftikhar Hussain, PI, Department of Microbiology, within 7 days after the publication of this notice. The list can be seen in the office of the PI during office hours.
2. Sealed quotations are invited for the purchase of Computer (P-4), Toners and accessories. Quotations should reach in the office of the Chairman, Department of Irrigation and Drainage within 3 days after the publication of this notice.
3. Sealed quotations are invited for the purchase of P.T.O driven Mounted Rotavator 42 Tine. The detail may be seen in the office of the PI, Department of Farm Machinery and Power. Rates must be quoted in words and figures. The quotations must reach in the office of the Prof. Dr. Muhammad Shafi Sabir PI, Deptt. of FMP. UAF within 3 days after the publication of this notice. Project entitled Demonstration of Techno- Chemical Method For Reclamation of Hard Lavered Saline Sodic Soils.

4. Sealed quotations are invited from the sales tax registered University suppliers for the purchase of a Water Bath and a Hot Air Oven by the Chairman, Department of Theriogenology, UAF. The quotations should be accompanied with a deposit call @ 2% of the estimated cost as earnest money in favour of Chairman, Department of Theriogenology, UAF. The quotations should reach office of the Chairman, within 3 days after the publication of this notice. The specifications and other details of these items can be seen in the office of the Chairman during office hours.
5. Sealed quotations are invited for the purchase of Printer HP Laser Jet 2035 in the Department of Social Sciences & Humanities. Details are available from the office of SS&H. The rates should be given both in figures and words without any overwriting and quotation should be accompanied with a deposit call @ 2% if the estimated cost as earnest money. The quotations must reach in the office of SS&H during the office hours within two days after the publication of this notice.
6. Sealed quotations are invited for the purchase of Zone Disk Tiller Drill material. The detail may be seen in the office of PI, rate must be quoted in words and figures. The quotations must reach in the office of the Prof. Dr. Muhammad Iqbal, PI, within 3 days after the publication of this notice.
7. Sealed quotations are invited for the repair of Vehicle No. FDR-169. The quotations should reach in the office of the Deputy Director Farms, Prof. Dr. Muhammad Iqbal, Department of Farm Machinery & Power UAF within 3 days after the publication of this notice. The detail of repair can be seen at the office of the Deputy Director Farms, during office hours.
8. Sealed quotations are invited from sales tax registered contractors for the purchase of Civil material /hard board/ Chip board etc by the Executive Engineer Engineering Construction Department UAF. The rates should be given both in figures and words without any over writing and quotations should be accompanied with a deposit call @ 2% of the estimated cost as earnest money. The quotations must reach in the office of the Executive Engineer within 3 days after the publication of this notice. List can be seen in the office of the Executive Engineer Engineering Construction Department UAF during office hours.
9. Sealed quotations are invited from sales tax registered suppliers for the purchase of Chemicals out of HEC funding "Development of S & T manpower through indigenous PhD Scholarships" for PIN-ILA0312053 in the Department of Animal Breeding and Genetics, UAF. The quotations should reach within 3 days after the publication of this notice. The detail can be seen in the office of the Prof. Dr. M. Sajjad Khan Supervisor/Chairman Department of Animal Breeding and Genetics, UAF. The rates should be quoted both in words and figures clearly.
10. Sealed quotations are invited from sales tax registered suppliers for the purchase of Chemicals/Reagents out of HEC funding "Development of S & T manpower through indigenous PhD Scholarships" for PIN-ILA0323064 in the Department of Animal Breeding and Genetics, UAF. The quotations should reach within 3 days after the publication of this notice. The detail can be seen in the office of the Prof. Dr. M. Sajjad Khan Supervisor/Chairman Department of Animal Breeding and Genetics, UAF. The rates should be quoted both in words and figures clearly.
11. Sealed quotations are invited to purchase glassware for the subject project. Quotations without over writing cost/rates be mentioned in figures and words and supported with bank draft equal to two per cent of the estimated cost as the earnest money should reach the PI of the project, Institute of Soil & Environmental Sciences, UAF, within 3 days of the publication of this notice. List of Glassware can be seen in the Soil and Chemistry Lab., Inst. Soil & Environ. Sci., UAF during office hours. Quote the rates of the make specified in the list, otherwise items will not be considered.
12. Sealed quotations are invited from the sales tax registered firms for the purchase of chemicals, media etc for about Rs. 75,000 by Department of Microbiology. The quotations should reach the office of the Dr. Iftikhar Hussain, Chairman, Department of Microbiology, within 7 days after the publication of this notice. The list can be seen in the office during office hours.
